### In this issue:

Welcome to our community update for GMA - Headquarters Development

#### Headlines in brief:

- Upcoming activities: Meet the Contractor event 28th March 19.00-21.00
- Project timeline: October 2021 to March 2023
- Community Update

## Community Update—Site Establishment

Hello Neighbours,

You may have seen the hoarding and gates being installed to the new entrances on Highams Lane..

We wanted to keep you updated with what works we have been carrying out and what is planned for the coming period. Since November 2021 the project team have been based in temporary cabins on site carrying out procurement and enabling works. In anticipation of our main works which commenced at the end of February, we have been undertaking investigative excavations, removing the grass and top soil from the construction areas and constructing the basis of the roadways to ease movement around site.

Our main accommodation block foundations have been constructed and the modular accommodation has been installed in February.

There will be early connections made to the existing utility networks and we will be installing our temporary utilities to supply the site which include water and electricity .

There is a lane closure scheduled towards the end of April to allow SSE to undertake works in Highams Lane, a further notification will be sent to outline works required.

We will be hosting our **Meet the contractor event on 28th March**. Please feel free to drop into the Half Moon Church Rd, Windlesham GU20 6BN between 19.30 until 21.00 where you will have the opportunity to meet the Mace team and find out more about the project from Mace and Gordon Murray Automotive. If you have any queries please do not hesitate to contact the Mace team on 0845 602 5761—quoting this number when calling:38898

# Community Update—Nature Watch Competition

Photography by David Joyce @ GMA Windlesham project

Have you seen the plethora of wildlife around Windlesham ? Have you taken a photo of the wildlife? Would you like to enter a competition and be featured on our hoarding? We are running a wild life photography competition for residents living in and around Windlesham. Please send your entries to [Alison.Cooper@macegroup.com](mailto:Alison.Cooper@macegroup.com) by 31st May 2022.

## Contacts:

We are always keen to improve our relations with our neighbours and would welcome any suggestions you may have.

## Milestone progress

## Site operating hours:

**Monday to Friday** 8:00am-18:00pm **Saturdays** 8.00am-13.00pm

The sites main operating hours above will ensure that any earth removal, piling work and mechanical building operations are confined to these hours. Outside these times there may be personnel on site; however their activities will be restricted so as not to disrupt the local community.
