Community Purpose

Windlesham Society is a village organisation and registered charity open to all local residents and businesses.

Our purpose is centred around improvement of the quality of life for village residents and businesses through preservation and enhancement of our local heritage and natural environment that makes Windlesham a wonderful place to live and work.

Windlesham Society works with residents and businesses in order to:

Stimulate interest, conversation and participation in village affairs

Work closely with local government and agencies to share the voices of our members

Forge links with other Windlesham organisations

Maintain and encourage the heritage of the village.

Current Objectives

Heathrow flight paths and night flights

Traffic volume, speed and flow

Planning issues and sustainable Greenbelt development

Current Objectives

Village Litter Pick

Resident Safety – Broadway Road ANPR camera and security lighting

Refurbishment of Telephone box for life saving defibrillator
